I.FEEDBACK PROCESS OF THE INSTITUTION

- 1.Vikas college of Pharmaceutical Sciences (VCPS) has introduced Online Student Feedback System from the academic year2017-18.
- 2.The online feedback System was introduced and made dynamic from the year 2020-21.
- 3.The objective of online feedback system is to understand the academic activities and students progress matching the curricular requirements with industry and stakeholders requirements and also to evaluate pedagogical systems in the college.
- 4.The advantage of online feedback system is to give a opportunity to the student to give their feedback anytime as per their convenience during the semester. So that end of the semester we can understand the completion rate of the syllabus, staff performance.
- 5.Generally the feedback is obtained during the month of May&Dec as they complete their course during these months.
- 6.Initially we adopted the traditional feedback system(paper based) and as the technology as improved now IQAC has initiated the Online feedback system
- 7.The IQAC(Internal Quality Assessment Cell) was constituted in 2020 as per the NAAC Guidelines and during its 1st meeting, the committee has proposed Online feedback system.

1.Following are the Minutes of the 1st IQAC Meeting, held on 6th Feb 2021

- 1.The IQAC had proposed to collect the Online feedback system from the student and same will be sent as a online feedback report to the students and stakeholders.
- 2.The online feedback system is mandatory for the students to ensure the feedback is given hall tickets will be issued to the students only after collecting the feedback.
- 3.The university placement cell is given the responsibility to collect feedback from the alumini and their employers.
- 4.The Co-ordinator IQAC in constitution with the other IQAC members and Chairman will develop a simplified feedback form and which is easily analysable will be distributed to all the stakeholders and students.

2. Agenda of the 2nd IQAC Meeting held on 6th Dec 2021

1. The IQAC has developed feedback and appraisal formats for different stakeholders, teachers and academician-administrators of the University.
2. These have been sent to the members of IQAC, present in the first meeting of the reconstituted IQAC.
3. The suggestions forwarded by the members have been incorporated in these feedback and appraisals. If approved these shall be digitized, and uploaded on the University portal at appropriate places with the help of CIT, and they shall be operative from Jan 10th 2022.

The Feedbacks and Appraisals are as follows:

- 1) Student's feedback
- 2) Parent's feedback
- 3) Alumni's feedback
- 4) Employer's feedback
- 5) Teacher's feedback

Minutes of the 2nd IQAC Meeting held on Dec 6th 2021

The feedback for different stakeholders, teachers and academician-administrators of the VCPS.

IQAC resolved to approve them with the following observations:

1. All the fields of the Format should be in English.
2. The Principal & member IQAC has been requested to refine and upgrade the technical aspects of the feedbacks and appraisals, and develop or adapt them into an in-house module.
3. In respect of teacher's feedback and their academic profile, the Principal observed that the appraisal must have teacher's contribution to real teaching in the classroom, and the innovative methods they use in the classroom for teaching and imparting knowledge. Therefore, it has been resolved by IQAC to include such fields in the feedback and appraisal formats.
4. The IQAC noted and resolved when discussing the student feedback about teachers, that not more than two teachers must teach or share any course.
5. The Dean, Academic Affair suggested that if the 'Academic Profile of the Faculty' includes the fields that gather information, according to the Academic Performance Indicator (API) categories, it shall help and facilitate IQAC's task of verification of applications of Career Advancement Schemes (CAS) etc.

6. The Director proposed that he would facilitate the calculation of Impact factor and H-Index by providing appropriate links which help in doing so, in the Performa of Academic Profile of the Faculty
7. On the observation of the member Alumnus that not enough questions have been devised in Alumni's Feedback, the Principal asked the Alumnus to provide the relevant questions to IQAC and directed IQAC to include them in the Feedback.
8. The suggestions made by the members in respect of Feedbacks and Appraisal formats have been noted down to be included before they become operational.

3.Minutes of the 3rd IQAC Meeting held on 2nd March 2022

Given below is the analysis and explanation of Student Feedback on Over-all performance of the college .

The feedback is presented in pie-chart and percentages on the overall performance of the college on all courses and performance of all the teachers who taught the courses.

Again, it is important to note that not all the students participated in the feedback, however, the responses that the students give are encouraging, and the VCPS is planning to make feedback mandatory for every student.

Thank you
