## REPORT ON THE DEVELOPMENT OF DRUG INFORMATION DATABASE

Transcend Medical Solutions Pvt Ltd is a service-providing company based in Hyderabad. Through a referral, an assignment on the development of a DI Database was assigned to the Department of Pharmacy Practice, Vikas College of Pharmaceutical Sciences, Suryapet. The value of the assignment is Rs.2,00,000 = 00.

12 Pharm D students from the Department of Pharmacy Practice were involved in the development of the DI base under the supervision of Dr Sai Pavan AR, Head, Department of Pharmacy Practice.

The team has developed an algorithm for collecting information about the drug molecule such as drug name, dose, mechanism of action, labelled clinical indications, contraindications, adverse drug reactions, and drug-drug interactions. The information was compiled in an excel sheet and based on the company review suggestions, the corrections were made. The final document with the approved information for 2000 drug molecules was prepared and submitted to Transcend Medical Solutions Pvt. Ltd.

As agreed, the amounts were transferred to the college.
