Report on One-day Conference

on

Recent Advances in Pharmaceutical Sciences

A one-day conference on "Recent Advances in Pharmaceutical Sciences" was conducted at Vikas College of Pharmaceutical Sciences on July 2, 2022. The conference was conducted in association with IPA local branch, Suryapet. Dr Adepu Ramesh, Principal cum Director Vikas College of Pharmaceutical Sciences was the convenor. Dr K. Ramadas, Chairman, Vikas Educational Society appreciated the efforts of the staff in organizing the conference. Dr K. Balaji, Principal, Avanti College of Pharmaceutical Sciences was the Chief Guest. Dr V.Rajkumar, Principal, Prathishta Institute of Pharmaceutical Sciences, Mr V Sathish Kumar, CEO, Clinoxy Solutions were the Guests of Honor.

During the inauguration, Dr K Balaji delivered a talk on "Nanotechnology and Novel Drug Delivery System" while Prof. V. Raj Kumar discussed "Advances in alternative careers in Pharmacy". Mr V. Sathish Kumar presented a talk on "Soft Skills for Pharmacy Students". About 220 delegates attended the conference. During the conference, 12 B. Pharm students made Oral presentations on their research projects. Dr G Neelamma and Dr P Naresh coordinated the oral presentations. Three Presentations were adjudicated as "Best Presentation" awards.

The conference was concluded by a Vote of thanks proposed by Dr M Kishore.

REPORT

A one day conference on “Seminar on How to Write Qualitative Research Paper” which is organized by Vikas College of Pharmaceutical Sciences on 21st September 2021.

The conference was conducted in association with IPA local branch, Suryapet. Dr. Adepu Ramesh, Principal cum director Vikas College of Pharmaceutical Sciences was the convener Dr. K. Ramadas, Chairman; Vikas Education Society appreciated the efforts of the staff in organizing the conference Dr. P. Naresh, Associate Professor, Vikas College of Pharmaceutical Sciences, was the chief guest. Dr. P. Naresh delivered a talk on “How to strengthening the research paper” and about 200 student delegates and 38 faculties attended the conference. The poster and oral presentations conducted and three presentations were adjudicated as “Best Presentation” awards.

The conference was concluded by a vote of thanks by Mr. P. Venkateshwarlu.

Report

A one day conference on “**Online Seminar on Role of Pharmacist in Improving Medications**” which is organized by **Vikas College of Pharmaceutical Sciences** by Department of Pharm D on 21st September 2020.

The Inaugural function was held between 10:00-10:30 AM on 21st September 2020. M. Shiva Shanmukhi, Convener, welcomed the gathering. The speakers **Dr. Ramesh Adepu**, Principal, Vikas College of Pharmaceutical Sciences. The conference was inaugurated in a traditional manner by lighting the lamp by the dignitaries. **MD. Rasheed**, Asst. Professor, Department of pharmacology and organizing secretary, gave genesis about the one day conference. He elaborated in detail about the various scientific sessions and the usefulness and application of the training sessions to the participants. In his presidential address he spoke about the role of pharmacist in improving medication. He quoted that these are the need of the day. He also requested the participants to effectively utilize the opportunities and update themselves in their relative fields.

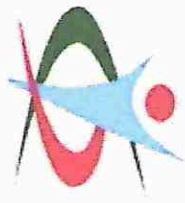

About 100 people from various pharmacy colleges and 120 students and 34 faculty members from Vikas College of Pharmaceutical Sciences are participated in this conference. All the participants interacted with speakers and effectively participated in the conference and had expressed the benefits accrued, due to the programme.

Report

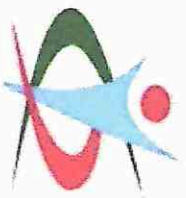

A one day conference on “**Online Seminar on Identify A Good Research Problem**” which is organized by **Vikas College of Pharmaceutical Sciences** on 12th October 2020.

The Inaugural function was held between 10:00-10:30 AM on 12th October 2020. M. Shiva Shanmukhi, Convener, welcomed the gathering. The speakers **Dr. Kalakotla Shankar**, Assistant Professor, JSS College of Pharmaceutical Sciences, Ooty. The conference was inaugurated in a traditional manner by lighting the lamp by the dignitaries. **S. Jayanthimala**, Asst. Professor, Department of pharmacology and organizing secretary, gave genesis about the one day conference. He elaborated in detail about the various scientific sessions and the usefulness and application of the training sessions to the participants. The chief guest Dr. Kalakotla Shankar spoke about the “Identifying Research Problems in the Current Scientific Research”.

About 259 students and 30 faculty members from Vikas College of Pharmaceutical Sciences are participated in this conference. All the participants interacted with speakers and effectively participated in the conference and had expressed the benefits accrued, due to the programme.

REPORT

A one day conference on “**Indo African seminar on Advances in pharmaceutical sciences and technology**” which is organized by **Vikas College of Pharmaceutical Sciences** by Department of Pharm D on 7th September 2017.

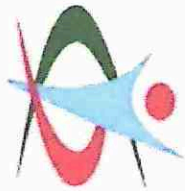

The conference was conducted in association with IPA local branch, Suryapet. Dr. A. Adepu Ramesh, Principal cum director Vikas College of Pharmaceutical Sciences was the convener Dr. K. Ramadas, Chairman; Vikas Education Society appreciated the efforts of the staff in organizing the conference Dr. K. Sathish, Assistant Professor, Vignan University, Vadlamudi, Guntur was the chief guest. Dr. K. Sathish delivered a talk on “Advances in pharmaceutical sciences and technology and about 281 student delegates and 32 faculties attended the conference. The poster and oral presentations conducted and three presentations were adjudicated as “Best Presentation” awards.

The conference was concluded by a vote of thanks.

REPORT

A one day conference on “**Future Prospects of Pharmacoepidomology in India**” which is organized by **Vikas College of Pharmaceutical Sciences** by Department of Pharm D on 19th October 2017.

The Inaugural function was held between 9:30-10:00 AM on 19th October 2017. M. Shiva Shanmukhi, Convener, welcomed the gathering. The speakers **Dr. Krishna Undela**, Assistant professor, dept of pharmacy practice, JSS Mysore. **Dr. K. Sriram**, dept of pharmacy practice, Ramakrishna institute of paramedical college, coimbatour. The conference was inaugurated in a traditional manner by lighting the lamp by the dignitaries. **M. Shiva Shanmukhi**, Asst. Professor, Department of pharmacology and organizing secretary, gave genesis about the one day conference. She elaborated in detail about the various scientific sessions and the usefulness and application of the training sessions to the participants. President of the inaugural function **Dr. Adepu Ramesh** released the scientific chronicle. In his presidential address he spoke about the importance of the pharmacoepidomology in pharmacy practice. He quoted that these are the need of the day. He also requested the participants to effectively utilize the opportunities and update themselves in their relative fields.

About 80 people from various pharmacy colleges and 120 students and 38 faculty members from Vikas College of Pharmaceutical Sciences are participated in this conference. After the inauguration our chief guest **Dr. Krishna Undela**, Assistant Professor, dept of pharmacy practice, JSS, Mysore delivered the speech and trained the participants on “**Future Prospects of Pharmacoepidomology in India**”. In the afternoon, **Dr. K. Sriram**, dept of pharmacy practice, Ramakrishna institute of paramedical college, coimbatour, delivered the speech and trained the participants on future prospects of pharmacoepidomology in India.

All the participants interacted with speakers and effectively participated in the conference and had expressed the benefits accrued, due to the programme. They conveyed that more such programs should be conducted, all have to proactively participate. The participants departed happily from the institute.

Report

A workshop on **IPR & Regulatory Guidelines for Pharmaceutical Industries** was conducted on 19-01-2018 by Vikas College of Pharmaceutical Sciences. **Dr. K. Gouthamrajan**, Professor JSS College of Pharmacy, Bapatla delivered his lecture on IPR and Regulatory Guidelines, Intellectual property (IP) pertains to any original creation of the human intellect such as artistic, literary, technical, or scientific creation. Intellectual property rights (IPR) refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. These legal rights confer an exclusive right to the inventor/creator or his assignee to fully utilize his invention/creation for a given period of time. From this session students gained knowledge about the basics of IPR and the regulatory guidelines followed by different pharmaceutical industries.

The role of the regulatory authorities is to ensure the quality, safety, and efficacy of all medicines in circulation in their country. It not only includes the process of regulating and monitoring the drugs but also the process of manufacturing, distribution, and promotion off. One of the primary challenges for regulatory authority is to ensure that the pharmaceutical products are developed as per the regulatory requirement of that country. This process involves the assessment of critical parameters during product development.

Report

A seminar on **Research Methodology: Design and Execution** was conducted on 02-09-2017 by Vikas College of Pharmaceutical Sciences. The inauguration of the seminar was carried out by lightening of the lamp by the Guest Speakers of the Day and the Principal, **Prof. Adepu Ramesh**, in his inaugural address expressed her intention that organization of such seminars will help to strengthen the Innovation and Research Cell in the institution. Mrs. V. Venkateshwar Rao. Dept. of Pharmaceutical Chemistry presented a brief bio of the Guest Speaker, Dr. S. Jubie, Associate Professor, and JSS College of Pharmaceutical Sciences.

Dr. S. Jubie, in her effective and interesting presentation on Research Process: How to identify a Research Problem and Designing a Research Project spoke about the basics of research and the process of designing a research project. The first and most important step of a research is formulation of research problems. It is like the foundation of a building to be constructed. To solve a problem someone has to know about the problem. So, the problem identification and formulation is very crucial for the researcher before conducting a research, and this is perhaps one of the most difficult aspects of any research undertaking. The "problem" is stated in the opening passages of a study and, in effect, provides a reader the rationale for why the study is important and why it is necessary.
