In collaboration Mr M.Saidulu Certified Coach with Vikas College of Pharmaceutical Sciences has organized a one day training program on yoga to the students at the campus on 21/06/2022 from 9.00 a.m. to 11.00 a.m. The principal has addressed the students about the importance of meditation in life. This program included a guest lecture by the expert Mr M.Saidulu who provided information about the importance of meditation in one's life. He gave her insights on Meditation-As a Scientific Tool to Transcend the Body and Mind. He further went on to give a vivid outlook on few benefits of meditation like reduces stress, improves health, positive thinking and emotional stability, happiness, focused attention. He also guided students to adopt meditation as one of their habit and suggested to follow regular pranayama and yoga along with it. Students are made to do meditation for about 15 minutes in the training program. The training program ended with our respected Principal. He was thankful for the valuable inputs delivered by resource person and she appreciated the commendable efforts taken by the college for initiating such a holistic session. Finally the session ended with vote of thanks by the HOD.

## REPORT

Name of the Program : "Uses and Application of CAL pharma software  
Duration of Training : 07.08.2022-08.08.2022  
Resource Person Details : Mr.G.Mahesh  
Assistant Professor  
Vikas College of Pharmaceutical Sciences

A two day workshop was organised on " Uses and Application of CAL pharma software " for II B. Pharm & III Pharm D students from 07.08.2022-08.08.2022 by Vikas College of Pharmaceutical Sciences. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. On the first day, Mr.G.Mahesh explained the importance of animal simulator and how it was useful for knowing the mode of drug action in pharmacological experiments. He used the projector as a mode of teaching. He provided the data required for logging into the software with all the students, On the last day, Mr.G.Mahesh divided the students into batches and made them work practically in a computer lab. Around 59 students attended the workshop. At the end of session feedback was taken from students, Students said that this workshop greatly expanded their understanding levels on how experiments can be done without harming animals by using software. Lastly, Dr. Adepu Ramesh, Principal of VCPS thanked Mr.G.Mahesh for sharing knowledge transfer with students.

## REPORT

Name of the Program : Uses and Application of CAL pharma software  
Duration of Training : 07.08.2018 to 08.08.2018  
Resource Person Details : Mr.G.Mahesh  
Assistant Professor  
Vikas College of Pharmaceutical Sciences

A two day workshop was organised on " Uses and Application of CAL pharma software " for II B. Pharm & III Pharm D students from 07.08.2018 to 08.08.2018 by Vikas College of Pharmaceutical Sciences. The main objective of the training was to prepare the students to use animal simulator perfectly for doing their pharmacological experiments. On the first day, Mr.G.Mahesh explained the importance of animal simulator and how it was useful for knowing the mode of drug action in pharmacological experiments. He used the projector as a mode of teaching. He provided the data required for logging into the software with all the students, On the last day, Mr.G.Mahesh divided the students into batches and made them work practically in a computer lab. Around 59 students attended the workshop. At the end of session feedback was taken from students, Students said that this workshop greatly expanded their understanding levels on how experiments can be done without harming animals by using software. Lastly, Dr. Adepu Ramesh, Principal of VCPS thanked Mr.G.Mahesh for sharing knowledge transfer with students.
